

# CARBON™ RACK SECURITY

## CRA40001

Secure and protect IT equipment  
inside rack enclosures

The CRA40001 combination lock allows infrastructure managers to guard access to specific rack enclosures and their contents. The combination can be updated easily as access requirements change; the lock also has a master key override. The CRA40001 is compatible with models CR42U11001 and CR24U11001 and is covered by a 5-year limited warranty.

### FEATURES

- Type: Combination Lock
- Warranty: 5-Year Limited
