

GC306U REACH POWER STRIP

Protect home and office computers, electronics,
and home theater equipment

Extend power to where you want it! Set up a temporary personal power station to quickly charge multiple devices using AC power and USB ports. This Reach & Charge™ USB & AC Power Cord provides three standard-spaced surge-protected outlets and two 2.4 A shared USB charging ports, perfect for mobile devices, fitness trackers, and smart home devices. The GC306U has a stylish, braided cord that prevents tangles, and when the unit is not in use, it stores easily with a convenient keyhole mounting loop. A low-profile plug fits in tight spaces to keep power within reach.

TYPICAL APPLICATIONS

- Desktop Computers
- Personal Electronics
- Routers & Modems
