

HT600WSU2A PREMIER SURGE PROTECTION

Protect home entertainment systems, gaming gear, and electronic devices

Your home entertainment system, gaming gear and devices deserve 24/7 protection. Safeguard valuable electronics against voltage spikes and serious power events such as lightning-induced surges with advanced power protection. With a \$250,000 connected equipment guarantee and a limited lifetime warranty, you can trust CyberPower's commitment to the quality of the Premier Home Theater Series Surge Protector + USB Wall Tap.

Loaded with features like fireproof and safe-fail technology, this surge protector guarantees your home and equipment stay safe.

The two USB charging ports with 4.8-amp total output gives you a faster charging time, and 90° swivel outlets give efficient cord management. This unit also has tamper resistant outlets to protect your family from accidental electrical shock.

TYPICAL APPLICATIONS

- Mobile Devices
- Personal Computers
- Personal Electronics
- Printers

FEATURES

- Plug type: NEMA 5-15P
- Outlet type: 6 NEMA 5-15R
- USB charge ports: 2
- EMI/RFI Filtration: Yes
- Warranty: Limited lifetime
