

CyberPower

MP1067WC SWIVEL WALL TAP & MULTICOLOR USB CHARGER

Protect home and office computers, electronics, and rapidly charge personal electronics

With the TR14A42U charge USB accessories with colored style. Item includes four USB ports (4.2amps), a five foot cord with transformer to reach from wall to table and a switch triggering a variety of color settings. Settings include on/off as well as a random setting that moves from one color to the next. Expand your wall outlet power options with the GT400PUWH 4 outlet and 4 USB 4.2amp wall tap. Leverage the units swiveling panels to manage cords and improve overall profile against the wall.
