

## MP65SG | POWER STRIPS

Power multiple devices from a single electrical source or outlet.

Extend power to where you want it! Set up a temporary personal power station to charge multiple mobile devices using the two USB ports, or power devices with the three AC outlets. Each product in this Reach & Charge™ USB & AC Power Cord 2 pack provides three standard-spaced surge-protected outlets and two 2.4A (shared) USB charging ports, perfect for mobile devices, fitness trackers, and smart home devices. Both products have a stylish, braided, 6' cord that prevent tangles, and have an integrated loop for a convenient and quick mounting solution. A low-profile plug fits in tight spaces to keep power within reach.
