

P205UCQ - HOME OFFICE DESKTOP CHARGER

Offering home/office environments with AC power, USB-A, USB-C, and wireless charging.

The CyberPower desk top charger P205UCQ brings you power, protection, and versatility - all in one compact unit. The P205UCQ desk top charger features 2 AC power outlets with 1500J of surge protection, 1 USB-A charging port, 1 USB-C charging port, and a 10W wireless Qi charging pad. Perfect for desk tops, table tops or other high-traffic areas of the home or office, the P205UCQ meets today's diverse power needs.

Two outlets on each side of the charger keep cords organized while providing 1500 Joules of surge protection. The stylish, braided power cord stores easily, resists tangles and looks great. The low-profile, right-angle power plug fits into tight places.

One-year limited warranty included.
\$100,000 Connected Equipment Guarantee
