

CyberPower

P3WUN SURGE PROTECTOR

Protect home and office computers, electronics, and home theater equipment

The CyberPower P3WUN Night Light Wall-tap features a light sensor and blue area LED lighting to make it easy to always quickly find the front-facing 3 power outlets and USB ports. The energy efficient LED is perfect for bedrooms, bathrooms, hallways - anywhere you'd like a night light and expanded power options. For nurseries, the tamper resistant outlets meet the latest child safety standards and the soft glow of the LED can serve as a soothing nightlight.

The P3WUN has 4 USB charging ports to keep your tablets, smart phones, fitness trackers, and other electronics up and running. Plus, it's backed by our one-year limited warranty.
