

P6WSUC SWIVEL WALL TAP SURGE

Surge protection and USB charging

The CyberPower Wall Tap Surge Protector P6WSUC prevents spikes in energy caused by storms and electrical power surges from reaching your home electronics. The P6WSUC provides 1500 joules of protection and 6 AC outlets with a single wall tap plug. The USB-C and USB-A ports charge USB powered devices.

Features of the P6WSUC include rotatable outlets, automatic shutdown, an EMI/RFI noise filter, metal oxide varistor (MOV) technology, and a surge protection LED indicator. This surge suppressor comes with a Limited Lifetime Warranty and a 100,000 Connected Equipment Guarantee.
