CONGRATULATIONS ON YOUR PURCHASE
Thank you for selecting the CyberPower P600WUHD Surge Protector. The information contained in this document explains the features and operation of the P600WUHD. Please take a few moments to read this manual.

FEATURES
1. Standard Spaced Outlets (6)
2. USB Charging Ports (2)
3. USB Output: 5V/3.4A (shared)

SPECIFICATIONS
- Model Number: P600WUHD
- Outlets: 6 Standard Outlets
- USB Ports: 2 USB Type-A
- USB Output: 5V/3.4A (shared)
- Surge Protection: 500 Joules
- Electrical Rating: 125V/15A/1875W
- UL Clamping Voltage: UL 1449 3rd/800V (H-N)
- Maximum Peak Current: 15,000A
- Attenuation: Up to 32dB
- EMI/RFI Filtration: 150 kHz to 100 MHz
- Connected Equipment Guarantee: $15,000

CAUTION
TO REDUCE THE RISK OF ELECTRIC SHOCK - Use only in dry locations and only indoors. DO NOT plug into another relocatable power tap. DO NOT “daisy chain” surge protectors. DO NOT use with any aquarium equipment. DO NOT use if properly grounded outlets are not available. DO NOT install this device if there is not at least 10 meters (30 feet) or more of wire between the electrical outlet and electrical service panel. This device features an internal protection that will disconnect the surge protective component at the end of its useful life, but will maintain power to the load - now unprotected.

TECHNICAL SUPPORT
Please contact our Tech Support department with installation, troubleshooting, or general product questions.

- Visit: CyberPowerSystems.com/support
- Hours of Operation:
  Monday – Friday, 7:00am – 6:00pm CST
Who pays for shipping?
We pay when we send items to you; you pay when you send items to us.

What are some things this Warranty does not cover?
1. THIS WARRANTY DOES NOT COVER ANY SOFTWARE THAT WAS DAMAGED OR NEEDS TO BE REPLACED DUE TO THE FAILURE OF THE CPS PRODUCT OR ANY DATA THAT IS LOST AS A RESULT OF THE FAILURE OR THE RESTORATION OF DATA OR RECORDS, OR THE REINSTALLATION OF SOFTWARE.
2. This Warranty does not cover: misuse, modification, operation or storage outside environmental limits of the CPS Product or the equipment connected to it, or for damage while in transit or in storage, nor if there has been improper operation or maintenance, or use with items not designed or intended for use with the CPS Product, such as laser printers, appliances, aquariums, medical or life support devices, etc.

What are the other limitations?
The sole and exclusive remedies of the Initial Customer are those provided by this Warranty.
1. This Warranty does not apply unless the CPS Product and the connected equipment were connected to properly wired and grounded outlets (including compliance with electrical and safety codes of the most current electrical code), without the use of any adapters or other connectors.
2. The CPS Product must be plugged directly into the power source and the equipment connected to the CPS Product must be directly connected in the CPS Product, not “daisy-chained” together in serial fashion with any extension cords, another Product or device similar to the CPS Product, surge suppressor, or power tap. Any such installation voids the Warranty.
3. The CPS Product and connected equipment must have been used properly in a suitable and proper environment, in conformance with any applicable license, instruction manual, or warnings.
4. The CPS Product must have been used at all times within the limitations on the CPS Product’s VA capacity.

What will CyberPower do to correct problems?
CyberPower will inspect and examine the CPS Product. If the CPS Product is defective in material or workmanship, CyberPower will repair or replace it at its own expense, or CyberPower will refund the full purchase price paid for the CPS Product (purchase receipt showing price paid is required). If the CPS Product failed to protect any equipment plugged into it, we will also send you forms for making your claim for the connected equipment. We will repair or replace the equipment that was damaged because of the failure of the CPS Product or pay you the fair market value (NOT REPLACEMENT COST) of the equipment at the time of the damage. We will use Orion Blue Book, another third-party valuation guide, eBay, craigslist, or other source to establish that amount. Our maximum liability is limited to $15,000 for the P600WUHD.

Who is providing this Warranty, what does it cover?
Cyber Power Systems (USA), Inc. (“CyberPower”) provides this Limited Warranty. It only covers the original purchaser and ends if you no longer own the CPS Product. This warranty covers defects in materials and workmanship in the CPS Product under normal use and conditions. It also covers equipment connected to the CPS Product and damaged because of the failure of the CPS Product. This warranty covers the CPS Product and connected equipment for as long as you own the CPS Product.

How Do You Open a Connected Equipment Claim?
1. Call us at (877) 297-6937 or write to us at Cyber Power Systems (USA), Inc., 4241 12th Ave. E., STE 400, Shakopee, MN 55379, or send us an e-mail message at claims@cpsww.com for instructions, within 10 days of the occurrence.
2. When you contact CyberPower, identify the Product, the Purchase Date, and the item(s) of Connected Equipment. Have information on all applicable insurance or other resources of recovery/payment that are available to the Initial Customer and Request a Claim Number.
3. You must provide a dated purchase receipt (or other proof of the original purchase) for the CyberPower unit and connected equipment. You also need to provide a description of the damage to your connected equipment.
4. Pack and ship the product to CyberPower and, if requested, the item(s) of Connected Equipment, a repair cost estimate for the damage to the Connected Equipment, and all claim forms that CyberPower provides to you. Show the Claim Number on the shipping label or include it with the product. You must prepay all shipping costs, you are responsible for packaging and shipment, and you must pay the cost of the repair estimate.

What will CyberPower do to correct problems?
CyberPower will inspect and examine the CPS Product. If the CPS Product is defective in material or workmanship, CyberPower will repair or replace it at its own expense, or CyberPower will refund the full purchase price paid for the CPS Product (purchase receipt showing price paid is required). If the CPS Product failed to protect any equipment plugged into it, we will also send you forms for making your claim for the connected equipment.
