- USB, Serial and EPO ports
- ENERGY STAR® qualified
- Cisco® Compatible

### PR1500LCDRTXL2UTAA

- 1500VA / 1500W
- Pure sine wave output
- 8 outlets
- USB, Serial and EPO ports
- ENERGY STAR® qualified

### PR2200LCDRTXL2UTAA

- 2150VA / 2150W
- Pure sine wave output
- 8 outlets
- USB, Serial and EPO ports
- ENERGY STAR® qualified

### PR3000LCDRTXL2UTAA

- 3000VA / 2400W
- Pure sine wave output
- 7 outlets
- USB, Serial and EPO ports
- ENERGY STAR® qualified

### PR1500LCDTAA

- 1500VA / 1050W
- Pure sine wave output
- 8 outlets
- USB and EPO ports
- ENERGY STAR® qualified
- Cisco® Compatible
- Extended LCD Panel

### PR5000LCDRTXL5UTAA

- 5000VA / 4000W
- Pure sine wave output
- 208V input/output
- 5 outlets
- USB, Serial and EPO ports
- ENERGY STAR® qualified

### OL6KRT2UTFHWIORTAA

- 6000VA / 6000W
- Converts 208V from utility power, UPS and generator to 120V output
- 120V 50/60Hz output
- 6 outlets

### OL6000RT3UTAA

- 6000VA / 5400W
- Pure sine wave output
- 208V input/output
- 4 outlets
- USB, Serial and EPO ports
- ENERGY STAR® qualified

## YOUR EDGE FOR WINNING MORE GOVERNMENT BUSINESS

- **Aggressive Pricing.** As a true manufacturer, we have significant control over product pricing and pass the savings on to you. Meet and beat bid specifications with products that have all of the features of competitive products and are up to 25% lower in cost. 3% off all GOV opportunities, special pricing at \$1,000 and deal registration at just \$5,000.
- **Outstanding Quality and Reliability.** Give your government customers peace of mind with stringently tested, reliable products. We offer a three-year warranty on all UPS systems including the batteries. We have been recognized as a top 100 company by CRN Magazine from 2011-2015.
- **Specialized Support for Federal Opportunities.** Government sales specialists are here to help with RFP support, custom power solutions, joint sales calls, risk-free demo programs, and evaluation requirements for virtual power audits. We are responsive, flexible, and ready to get the information you need, when you need it.
- **Efficiency Across the Board.** Whether it is UPS systems, PDUs, surge protectors, or power accessories, we offer the largest amount of ENERGY STAR® certified products offered by a power protection company in the IT channel.

## CERTIFICATIONS

CyberPower manufactures power products that are certified TAA compliant and are acceptable for GSA Schedule and IDIQ contract purchases for use in government installations.

GSA Schedule

CyberPower offers over 125 ENERGY STAR certified UPS systems (350VA - 10kVA)

CyberPower offers UPS systems and PDUs that are Cisco® Energy-Wise™ compliant End Devices.

PowerPanel® Business Edition software is VMware Ready.

CyberPower provides an industry-leading 3 year product warranty on all UPS systems - including batteries.

CyberPower is an active member of the System for Award Management (SAM) that combines federal procurement systems and the Catalog of Federal Domestic Assistance.
